

Dear Friend,

The US SAILING Center - Martin County and a team of dedicated parents will be hosting the 6th Annual **All Hands on Deck** high school sailing fundraising event. This casual event will be held on **Saturday, November 10, at 6:30 pm** at the Sailing Center in Jensen Beach. Those in attendance will enjoy a delicious array of appetizers while taking in the majestic views from our Sailing Center Deck. All revenues from ticket proceeds, silent auction, raffle, and sponsorships will directly benefit local High School Sailing Teams.

In addition to supporting **All Hands on Deck**, there are several ways to underwrite the High School Sailing Teams while promoting your business and displaying your support. Please consider underwriting the cost of a customized banner or sail with your business logo or tagline. All banners will be displayed at the US Sailing Center Martin County through April 2019 except for the Event Banner at the entrance which will be displayed through Thanksgiving 2018. See the attached form for details.

Additionally, you can become a valued HS Program Sponsor and fund our high school sailing program. We hope to raise funds to operate the sailing program with quality boats and facilitate quality competition for the more than 60 student sailors. Our goal is to keep individual sailor participation costs low, while ensuring no student is turned away due to financial hardship. For the past 4 years, 4 new fully rigged 420 sailboats have been purchased with funds raised through this program. We hope to continue this trend going forward.
